Red Sails in the Sunset

C   **F**   **G7**   **D7**

> starting note
> sing e
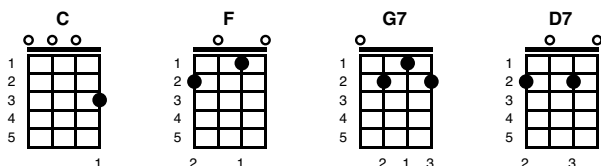

C   F   C
Red sails in the sunset way out on the sea
              G7   C
Oh carry my love one home safely to me

                                F   C
He sailed at the dawning all day I've been blue
              G7   C
Red sails in the sunset I'm trusting in you

     F   C   F   C
Swift wings we must borrow make straight for the shore
F   C   D7   G7
We marry tomorrow and you go sailing no more

C   F   C
Red sails in the sunset way out on the sea
              G7   C
Oh carry my love one home safely to me

                                F   C
Red sails at the sunset way out on the sea
              G7   C
Oh carry my love one home safely to me
              G7   C
Oh carry my love one home safely to me
