Tom Waits

D G D
I'm singing this song its time it was sung
A
I been putting it off for a while
D G D G
But it's harder by now cause the truth is so clear
D A D A
that I cry when I'm seeing you smile

D G D G
So goodbye so long the road calls me dear
D A
And your tears cannot bind me anymore
D G D G
And farewell to the girl with the sun in her eyes
D A D A
And I kiss you and then I'll be gone

D G D
Everytime that I try to tell you that we've
A
lost the magic that we had at the start
D G D G
I would weep my heart when I look in your eyes
D A D A
And I search once again for the spark

So goodbye so long the road calls me dear
And your tears cannot bind me anymore
And farewell to the girl with the sun in her eyes
And I kiss you and then I'll be gone

I can see by your eyes its time now to go
so I'll leave you to cry in the rain
though I held in my hand the key to all joy
but honey my heart was not born to be tamed

So goodbye so long the road calls me dear
And your tears cannot bind me anymore
And farewell to the girl with the sun in her eyes
And I kiss you and then I'll be gone

So goodbye so long the road calls me dear
And your tears cannot bind me anymore
And farewell to the girl with the sun in her eyes
And I kiss you and then I'll be gone
And I kiss you and then I'll be gone
