

# So Happy Together

Turtles

Key of Am

Count 1234. 1234

**INTRO: Am //// Am ////**

**Am**

Imagine me and you - I do

**G**

I think about you day and night, it's only right

**F**

To think about the girl you love and hold her tight

**E7 E7**

So happy together

**Am**

If I could call you up, invest a dime

**G**

And you say you belong to me, to ease my mind

Imagine how the world could be so very fine  
So happy together

I can't see me loving nobody but you

For all my life

When you're with me, baby, the skies will be blue

For all my life

Me and you and you and me

No matter how they toss the dice, it had to be

The only one for me is you and you for me

So happy together

I can't see me loving nobody but you

For all my life
