Count 1234. 1234

Chorus: all chords have 4 beats unless otherwise shown

INTRO G / / / / G / / / /

G   C   G   G
Well I never did crawl and I never did toe the line
                              C   G   G
No man is master to me I ain't that kind
           C   Csus   C
I just put on my traveling shoes
                        Csus   C   D7
If you wanna win you just can't lose the time
               G   G
Or stay behind, well

        C //   G   G
I was born to run
          C //   G G
To get ahead of the rest
          C   //   G//   D7 //   G //
And all that I wanted was to be the best
            C//   G   G   C //   G   G
Just to feel free   and be someone

```
      C //         G//         D7 //   G    G
I was born to be fast I was born to run

                          C                    G      G
Well I take the chances sometimes I've made mistakes
                          C                    G      G
But you don't get nothing unless you take the breaks
 C                    Csus   C
Living as dangerous as dynamite
                          Csus        C     D7
Sure makes you feel nervous but it makes you feel alright
              G     G
Makes you feel alright

      C //      G   G
I was born to run
      C //              G G
To get ahead of the rest
      C    //     G//         D7 //     G //
And all that I wanted was to be the best
        C//  G   G        C //       G    G
Just to feel free      and  be someone
        C //         G//         D7 //   G    G A    A
I was born to be fast I was born to run

      A                        D              A    A
Nobody's gonna make me do things their way
                          D              A    A
By the time you figure it out it's yesterday
          D
Well it comes to he who waits, I'm told
                          E7
But I don't need it when I'm old and gray
              A    A
Yea, I want it today

          D //     A    A
Well, I was born to run
        D //              A A
To get ahead of the rest
```

```
        D   //      A //           E7 //     A //
And all that I wanted was to be the best
          D //   A    A       D //       A    A
Just to feel free      and  be someone
        D  //         A //           E7 //     A
I was born to be fast I was born to run

            D //     A    A
Well, I was born to run
          D  //                A  A
To get ahead of the rest
          D   //      A //           E7 //     A //
And all that I wanted was to be the best
          D //   A    A       D //       A    A
Just to feel free      and  be someone
          D  //         A //           E7 //   A    A / / /
I was born to be fast I was born to run
```
