Bm   G   G
   The moment I wake up
      A   D
Before I put on my makeup

And wond'ring what dress to wear now

I say a little prayer for you

  G //   A //   Bm / / /
Forever, forever, you'll stay in my heart
      A //
and I will love you

Forever, and ever, we never will part

Together, together, that's how it must be
