

Where the Coho Flash Silver

From Port Hardy one morning I cast off my line
The sea was all smooth and the weather just fine
For Castle Rock, I was headed away
Where the coho flash silver all over the bay
Where the coho flash silver all over the bay

It was just before dawn when I reached the fish ground
I lowered my poles and I let my lines down
I lit up my pipe, waited and prayed
To see the coho flash silver all over the bay
See the coho flash silver all over the bay

Well the sun came up shining and so did the fish
All the girdies were humming, what more could I wish

 The bells were ringing, I was making it pay

 So hungry they'd strike at an old leather shoe

 "This has got to be heaven," to myself I did say

 There are wheelers and dealers with big deals galore
