Sweet Surrender

John Denver

D   **A7**
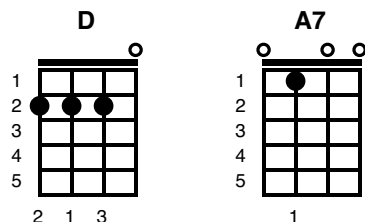

INTRO: D / / / / **D** / / / /

D
Lost and alone on some forgotten highway

           A7
Traveled by many, remembered by few

Lookin' for something that I can believe in

Lookin' for something
     D   **D**
That I'd like to do with my life

    D
There's nothin' behind me

And nothin' that ties me to

            A7
Something that might have been true yesterday

Tomorrow is open, right now it seems

To be more than enough
      D **D**
To just be here today

A7   **D**
Sweet, sweet surrender
A7   **D**
Live, live without care

     A7   **D**
Like a fish in the water
       A7   **D**   **D**
Like a bird in the air

       D
And I don't know

What the future is holdin' in store
                       A7
I don't know where I'm goin' I'm not sure where I've been

There's a spirit that guides me, a light that shines for me
                   D   **D**
My life is worth the livin', I don't need to see the end

A7   **D**
Sweet, sweet surrender
A7   **D**
Live, live without care
     A7   **D**
Like a fish in the water
      A7   **D** **G** / / **D** /
Like a bird in the air
