

It's Hard To Be Humble

Mac Davis

Key of C

INTRO: C /// C ///

C

Oh lord, it's hard to be humble

G7

When you're perfect in every way

I can't wait to look in the mirror

C

I get better looking each day

To know me is to love me

C7

F

I must be a hell of a man

C

Oh lord, it's hard to be humble

G7

C

But I'm doing the best that I can

C

I used to have a girlfriend

G7

But I guess she just couldn't compete

With all of these love-starved women

C

Who keep clamoring at my feet

Well I prob'ly could find me another
But I guess they're all in awe of me
Who cares, I never get lonesome
'Cause I treasure my own company

Oh lord, it's hard to be humble
When you're perfect in every way
I can't wait to look in the mirror
I get better looking each day

To know me is to love me,
I must be a hell of a man
Oh lord it's hard to be humble
But I'm doing the best that I can

I guess you could say I'm a loner
A cowboy outlaw tough and proud
I could have lots of friends if I wanted
But then I wouldn't stand out from the crowd
Some folks say that I'm egotistical
Hell, I don't even know what that means

I guess it has something to do with the way
That I fill out my skin tight blue jeans

Oh lord, it's hard to be humble
When you're perfect in every way

I can't wait to look in the mirror
I get better looking each day

To know me is to love me
I must be a hell of a man

Oh lord it's hard to be humble
But I'm doing the best that I can
I'm doing the best that I can
