I know a man he came from my hometown

F

He wore his passion for his women

Like a thorny crown

He said, "Delores, I live in fear

My love for you's so over-powering

Slip slidin' a-way - slip slidin' a-way

C **G**
You know the nearer your destination
F **G** **C** **C**
The more you're slip slidin' away

Am **Am** **C** **C**
And, I know a woman became a wife
F **G**
These are the very words she uses
F **F7**
To des-cribe her life

C **Am** **Am**
She said, "A good day - ain't got no rain."
C // **G //**
She said, "A bad day's when I lie in bed
F // **G //** **C** **C Tacet**
And think of things that might have been."

C **C** **Am** **Am**
Slip slidin' a-way - slip slidin' a-way
C **G**
You know the nearer your destination
F **G** **F //** **C //**
The more you're slip slidin' away

Bb // **F //** **C ////** **C //**

C **Am** **G** **C**
And I know a fa- ther who had a son
F **G**
He longed to tell him all the reasons
F **F7**
For the things he'd done
C **C** **Am** **Am**
He came a long way - just to ex-plain
C // **G //**
He kissed his boy as he lay sleeping

F // **G //** **C C Tacet**
Then he turned around and headed home again

C C **Am Am**
He's slip slidin' – slip slidin' a-way

C **G**
You know the nearer your destination

F **G** **F //** **C //**
The more you're slip slidin' away

Bb //F //C //// **Bb //F //C //// C //**

C // **Am** **Am** **C C**
And God only knows, God makes his plan

F **G**
The information's unavailable

F **F7**
To the mortal man

C **C**
We're working our jobs

Am Am
Collecting our pay

C // **G //**
Believe we're gliding down the highway

F // **G //** **C C Tacet**
When in fact we're slip slidin' a-way

C C **Am**
Slip slidin' a-way, slip slidin' a-way

Am **C** **G**
You know the nearer your destination

F **G** **C C**
The more you're slip slidin' away

Slip slidin' a-way, slip slidin' a-way

You know the nearer your destination
