For now my daughter was my mother, 'cause she was my father's wife

And so became my uncle, though it made me very sad  
For if he were my uncle then that also made him brother  
Of the widow's grown-up daughter, who was of course, my stepmother

**Verse 4:**

My father's wife then had a son who kept them on the run  
And he became my grandchild for he was my daughter's son  
My wife is now my mother's mother and it makes me blue  
Because although she is my wife, she's my grandmother too

Now if my wife is my grandmother, then I'm her grandchild

Key of D

Benny Andersson, Bjorn Ulvaeus, Stig Anderson (recorded by ABBA)

## TIP 1:

Play the D chord with the suggested (unusual) fingering so fingers 2 and 3 will not have to move when transitioning to the Daug chord.

## TIP 2:

Play the Cheater Daug chord by keeping 4th string open and only playing strings 3, 2 and 1.

## TIP 3:

Play a D chord instead of Daug chord.
