# Wilder Than Her

Fred Eaglesmith

Key of C

4/4 time Strum: d-dududu

INTRO: C //// Csus //// C //// Csus ////

## Verse 1:

Well I'm wilder than her, what else can I say?  
But I guess that is why, she fell in love with me  
She's a house on fire, she's got all those charms  
I'm a house on fire too but I got four alarms

## CHORUS:

And I'm wilder than her, drives her out of her mind  
I guess she thought that she was one of a kind  
But she's a summer storm, I'm a hurricane  
One just blows through town, one blows the town away  
And I'm wilder than her

## Verse 2:

When we go driving in our car, racing through the night  
She can drive as fast as me but she stops at all the lights

**C** **C** **G** **G**  
She says it's 'cause I'm crazy - she's probably right  
**F** **F** **C** **G**  
But I think that the reason is that I'm twice as wild

### CHORUS:

**C** **C** **G** **G**  
And I'm wilder than her, drives her out of her mind  
**F** **F** **C** **G**  
I guess she thought that she was one of a kind  
**C** **C** **G** **G**  
But she's a summer storm, I'm a hurricane  
**F** **F** **C** **G**  
One just blows through town, one blows the town away  
**C** **C** **C**  
And I'm wilder than her

### Bridge:

**F** **F** **C** **C**  
But when she takes my hand and she looks me in the eye  
**F** **F** **C** **G** **G**  
I see something that I've never seen in my life

### Verse 3:

**C** **C** **G** **G**  
She takes the fire and turns it down low  
**F** **F** **C** **G**  
She takes the night and makes it not so cold  
**C** **C** **G** **G**  
She takes the distance and breaks it into miles  
**F** **F** **C** **G**  
She makes my {life just a little less wild

### CHORUS:

**C** **C** **G** **G**  
And I'm wilder than her, drives her out of her mind  
**F** **F** **C** **G**
