John Allan Cameron

Key of C

4/4 time Strum: d- dududu

INTRO: C /// C /// C /// C ///

Verse 1:

I've been wheels and I've been rails
I've been grassy roads and dusty wagon trails
But I miss the friends that linger
In the streets of my hometown
If you love me, you'll believe me, tie me down

CHORUS:

Tie me down, tie me down
You know I never meant to play around
And if you love me, you'll believe me
And I'll go with you now
But we've got to get together, tie me down

Verse 2:

Well, I know some, yes more than one

And there's been some things I wish I'd never done
 Once they branded me a devil
 When I longed to be a clown
 If you love me, you'll believe me, tie me down

CHORUS:

Tie me down, tie me down
 You know I never meant to play around
 And if you love me, you'll believe me
 And I'll go with you now
 But we've got to get together, tie me down

And if we swore we'd change no more
 There'd be nothing that our hearts would be good for
 Give this some consideration, before you turn around
 If you love me, you'll believe me, tie me down

Sonny's Dream

Ron Hynes

Key of G

4/4 time Strum: d- dududu

INTRO: G //// G //// G //// G ↓ ↓ Tacet

Verse 1:

Sonny lives on a farm on a wide open space
Where you can take off your sneakers and give up the race
You could lay down your head by a sweet river bed
But Sonny always remembers
What it was his Mama said

CHORUS:

Oh, Sonny don't go away, I am here all alone
And your daddy's a sailor who never comes home
And the nights get so long and the silence goes on
And I'm feeling so tired
I'm not all that strong

Verse 2:

Sonny carries a load though he's barely a man

There ain't all much to do, still he does what he can
 And he watches the sea from a room by the stairs
 And the waves keep on rollin'
 They've done that for years

CHORUS:

Oh, Sonny don't go away, I am here all alone
 And your daddy's a sailor who never comes home
 And the nights get so long and the silence goes on
 And I'm feeling so tired
 I'm not all that strong

Verse 3:

And it's a hundred miles to town, Sonny's never been there
 And he goes to the highway and stands there and stares
 And the mail comes at four and the mailman is old
 But he still dreams his dreams
 Full of silver and gold

Instrumental CHORUS

Oh, Sonny don't go away, I am here all alone
 And your daddy's a sailor who never comes home
 And the nights get so long and the silence goes on

And I'm feeling so tired
I'm not all that strong

Verse 4:

Sonny's dreams can't be real, they're just stories he's read
They're just stars in his eyes, they're just dreams in his head
And he's hungry inside for the wide world outside
And I know I can't hold him
Though I've tried and I've tried

CHORUS:

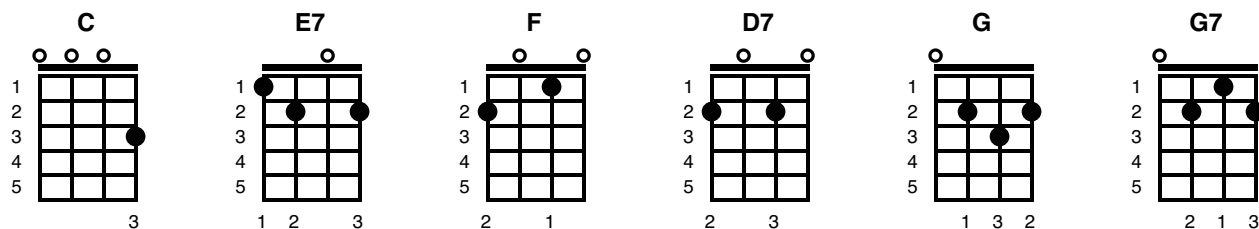

Oh, Sonny don't go away, I am here all alone
And your daddy's a sailor who never comes home
And the nights get so long and the silence goes on

 And the first thing that I saw

Was the sun through yellow curtains
 And a rainbow on the wall
 Red, green and gold to welcome you
 Crimson crystal beads to beckon
 Oh, won't you stay? We'll put on the day
 There's a sun show every second

Bridge 1:

Now the curtain opens on a portrait of today
 And the streets are paved with passers by
 And pigeons fly and papers lie
 Waiting to blow away

 And the first thing that I knew
 There was milk and toast and honey
 And a bowl of oranges too
 And the sun poured in like butterscotch
 And stuck to all my senses

 And we'll talk in present tenses

The afternoon is heavy on your shoulders
There's a truck out on the four lane,
A mile or more away
The whining of his wheels just makes it colder

Verse 2:

He's an hour away from ridin'
On your prayers up in the skies
And ten days on the road are barely gone
There's a fire softly burning, supper's on the stove
There's a light in your eyes that makes him warm
