Verse 1:

The rain is falling lightly on the buildings and the cars

I've said goodbye to city friends

Department stores and bars

The lights of town are at my back

My heart is full of stars

And I'm gonna be a country girl again

CHORUS:

Oh yes, I'm gonna be a country girl again

With an old brown dog and a big front porch  
And rabbits in the pen  
I tell you, all the lights on Broadway  
Don't amount to an acre o' green  
And I'm gonna be a country girl again

**Verse 2:**

I spent some time in study, oh, I've taken my degrees  
I memorized my formula, my A's and B's and C's  
But what I know came long ago and not from such as these  
And I'm gonna be a country girl again

**CHORUS:**

Oh yes, I'm gonna be a country girl again  
With an old brown dog and a big front porch  
And rabbits in the pen  
I tell you, all the lights on Broadway  
Don't amount to an acre o' green  
And I'm gonna be a country girl again

**Verse 3:**

**G** **G** **G** **G**  
I've wandered in the hearts of men, looking for the sign  
**G** **G**  
But here I might learn happiness  
**G** **G7**  
I might learn peace of mind  
**C** **F //** **C //**  
The one who taught my lesson was  
**C** **G**  
The soft wind through the pines  
**D** **D** **G** **G**  
I'm gonna be a country girl again

**CHORUS:**

**G** **C** **G** **G**  
Oh yes, I'm gonna be a country girl again  
**G** **G**  
With an old brown dog and a big front porch  
**G** **D**  
And rabbits in the pen  
**G** **G7**  
I tell you, all the lights on Broadway  
**C** **C**  
Don't amount to an acre o' green  
**G** **D7** **G** **G** **G G**  
And I'm gonna be a country girl again

**FINAL CHORUS:**

**G** **C** **G** **G**

# Garden Gnomes

Washboard Hank

Key of D  
96 BPM

4/4 time Strum: d- du d- du

INTRO: D //// A7 ↓ ↓ D ↓ Tacet

## Verse 1:

Well, it's payday night, I'm drivin' home  
I stop at my favourite spot  
I never meant to spend much money  
But I guess, I spent a lot  
Now I'm drivin' through our neighbourhood  
And pull in up our lane  
And darlin' I'm tryin' to find the words  
To help me to explain

## CHORUS:

Aw darlin' I blew my paycheck on garden gnomes again  
I know it's an addiction and I know it causes you pain  
I know I'm playin' a loser's game that I can't never win  
Aw darlin' I blew my paycheck on garden gnomes again

## Verse 2:

Now the first day I come home with  
Snow White and the Seven Dwarfs  
I could tell your love would soon be gone  
And then I filled up our garden  
And our front and our back lawn  
You said you'd had enough  
When you went marchin' out the door  
And I marched out behind you  
Straight to the garden store

## CHORUS:

Aw darlin' I blew my paycheck on garden gnomes again  
I know it's an addiction and I know it causes you pain  
I know I'm playin' a loser's game that I can't never win  
Aw darlin' I blew my paycheck on garden gnomes again
