the home team trails behind  
But they grab the puck and go bursting up,

We see them slide the puck inside, it's a 1-1 hockey game

And the best name you can name  
Is the good old hockey game

face off down the rink  
And the Stanley cup is all filled up

## Verse 2:

He used to carry his guitar in a gunny sack  
 Go sit beneath the tree by the railroad track  
 Oh, the engineers would see him sitting in the shade  
 Strumming with the rhythm that the drivers made  
 People passing by they would stop and say  
 Oh my, but that little country boy could play

### CHORUS:

Go go, go Johnny go  
 Go, go Johnny go  
 Go go Johnny go  
 Go, go Johnny go  
 Go, Johnny B. Goode

### Verse 3:

His mother told him someday you will be a man  
 And you will be the leader of a big old band  
 Many people coming from miles around  
 To hear you play your music when the sun go down  
 Maybe some day your name will be in lights  
 Saying Johnny B. Goode tonight." Woah, woah
